Dear Sir or Madam:

I am pleased to be writing this letter of recommendation for Fastrac Electric. With over fifteen years of experience in the construction industry, my most recent position was working for the School District of Palm Beach County as a Senior Project Administrator overseeing over \$250 million dollars worth of new school construction. I always pleased to have Fastrac Electric as a critical team member, and have completed some of the most high profile projects, as well as some of the most complicated. I would highly recommend this firm for both public and private work as an electrical subcontractor. I have worked with Leo Bly, Patrick Bly, Shawn Bly, & Bob Sayers, for the past five years. Most recently Fastrac Electric had completed over 5 million dollars worth of electrical work on time and has always staffed the projects accordingly, under my direct supervision.

Should you have any further questions please do not hesitate to call me at the phone number referenced below.

Sincerely,

Sasha Bubanja

Executive Vice President
